Halloween Safety Tips

Halloween is a great time of year for children and parents to spend quality time together, creating a costume that transforms your child into a witch, goblin, or even a character beyond their wildest imagination. When designing or selecting costumes, be sure to keep safety in mind. Your child may look adorable dressed in your old clothes, but if the outfit doesn't fit properly, a child can fall and be injured.

The Fairfax County Fire and Rescue Department offers the following suggestions to avoid Halloween hazards:

- Only fire-retardant materials should be used for costumes.
- Costumes should be made of light or bright colored materials to make them more visible at dusk. Decorate costumes with reflective tape to make children even more visible.
- Costumes should be loose enough so that warm clothes can be worn underneath. This will also allow the child to move freely.
- Costumes should not be so long that they are a tripping hazard. Falls are the leading cause of accidents on Halloween.
- When selecting special Halloween makeup, choose packages containing ingredients that are labeled "Made with U.S. Ap-

proved Color Additives,"

"Laboratory Tested," "Meets Federal Standards for Cosmetics," or "Non-Toxic." Most manufacturers list ingredients and/or chemical analysis on the package.

- Check mask to make sure it has openings for the nose and mouth, and large eye holes for good visibility.
 - Knives, swords, and all other accessories should be made of cardboard or flexible materials. Anything children carry could hurt them if they fall.
 - Decorate bags and sacks with reflective tape.
 - Give each trick-or-treater his/her own flashlight.
 - Have children remove their masks and look both ways when crossing the street.
 - Trick-or-treat in groups, never alone. Have an adult escort.
 - Remind children to cross the street at the corner. Never dart out from between parked cars.
- There is no "trick" to making Halloween a success. With a little extra thought and planning, this Halloween can be a real "treat" for the entire family.
